God's Kingdom

It is the heavenly Kingdom for which Jesus taught all his followers to pray. Soon it will become the one government over all the earth and will solve mankind's pressing problems. The Bible does not give a date for these events, but it provides evidence to show that we are living in "the last days" of this troubled world

Judgment

Jesus is God's appointed Judge who determines what each one's future will be. Those judged righteous will be given everlasting life on a paradise earth. Those judged unrighteous will not be tormented but will die and cease to exist.

The future of the earth

The earth will never be destroyed or depopulated but will become a peaceful paradise.
