

Studies in Revelation 9:1-21

YES or NO

- ___ 1. Is the fallen star described as “he, him”?
- ___ 2. Did the smoke from the pit (abyss) have any influence on earth?
- ___ 3. Is it natural for locusts not to destroy grass and green things?
- ___ 4. Did the locusts look like horses and sound like chariots in battle?
- ___ 5. Do you think this is all about “literal” locusts?
- ___ 6. Is there any significance in a voice from the altar? (6:9; 8:3-4)
- ___ 7. Is “time” description in the book of Revelation literal and absolute? (See also 3:10 “hour”; 2:10 “ten days”, etc.)
- ___ 8. Does the text identify the four angels loosed from the Euphrates?
- ___ 9. Does the text suggest that plagues were sent on God’s people?
- ___ 10. Does this chapter sound like a time of wrath upon the enemies of God’s people?

TRUE OR FALSE

- ___ 1. Tradition enemies of Israel (the Assyrians and Babylonians) came from beyond the Euphrates.
- ___ 2. Abaddon is a Hebrew word meaning “Destroyer.”
- ___ 3. Apollyon is the Greek word meaning the same as the Hebrew word “Abaddon”.
- ___ 4. All the events in this chapter are describing literal creatures.
- ___ 5. Through symbolic pictures of Biblical prophecy God impresses our minds with a graphic sense of the truth.
- ___ 6. The book of Revelation uses the same type of imagery and language as much of Old Testament prophecy.
- ___ 7. This type of language is more familiar to the eastern (Hebrew, Arabic) mind than the western (Roman, Greek [*our*]) mind.

(Please put the verse(s) number that provides the answer in the margin.)
